

## Quicken® for Mac Personal Finance Software 2005–2007 Bank Account Conversion Instructions

### A.

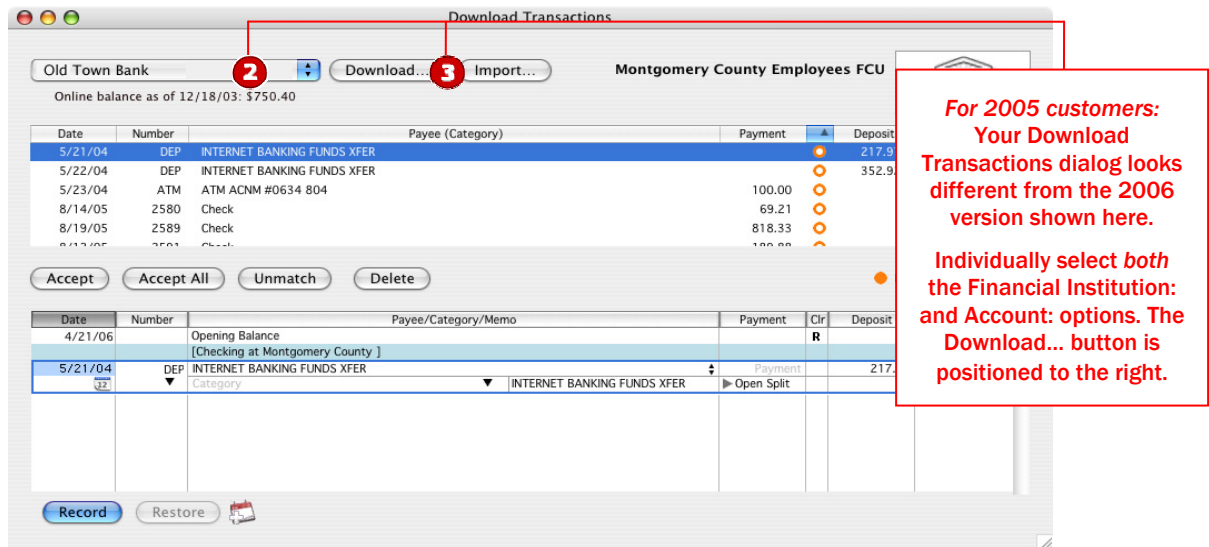

#### BACK UP YOUR CURRENT DATA

1. *Quicken for Mac 2006 customers:* Choose **File** menu → **Back Up** → **To Disk...**  
*Quicken for Mac 2005 customers:* Choose **File** menu → **Save a Copy...**
2. Complete the following prompts.

### B.

#### DOWNLOAD THE LATEST QUICKEN UPDATE

1. *Quicken for Mac 2006 customers:* Choose **Quicken 2006** menu → **Check for Updates.**  
*Quicken for Mac 2005 customers:* Choose **Quicken 2005** menu → **Check for Updates.**
2. If a software update is available, then you will be prompted to download the update from the Quicken Web site.
3. Once the update is complete, restart Quicken.

1. Choose **Online** menu → **Download Transactions...**

2. *Quicken for Mac 2006 customers:* Click to select your account from the drop-down list.  
*Quicken for Mac 2005 customers:* Click to select your financial institution and account from the drop-down lists. (The note in the graphic explains how your **Download Transactions** dialog will look a little different.)

3. Click **Download...**
4. Enter your customer ID and PIN to log in to your bank's Web site. Download your transactions through November 16, 2009 into Quicken.

**Note:** You will not be able to download these transactions after November 13, 2009.

Repeat steps **2** through **4** for each account (such as checking, savings, credit cards, and brokerage) that you will use for online banking and investing.

5. Once the transactions are downloaded, **accept all the transactions into your Quicken account register.**

**Important:** You will not be able to proceed to the next section until you accept all transactions in the **Download Transactions** tab.

▲ For help reconciling your account register, choose **Help** menu → **Quicken 2006 Help** (or **Quicken 2005 Help** depending upon version). In the **Ask a Question** prompt, enter *Reconciling an account*.

1. Choose **Lists** menu → **Accounts**.

2. Select the account you want to disable, and click **Edit**. **Edit account number, etc. as needed.**
3. In the **Download transactions:** drop-down list, select **not enabled**. Click **OK** to the prompt, “You are about to disable...”
4. Click **OK** to save your edits.

Repeat steps **2** through **4** for each bank online account (such as checking, savings, credit cards, and brokerage). As each online account is disabled, its blue online circle icon disappears. Verify that your account list does not display blue online circle icons for any accounts at your bank.

## E.

## ENABLE YOUR ACCOUNTS WITH YOUR FINANCIAL INSTITUTION

**IMPORTANT:** Complete section **E** *on or after* November 16, 2009.

1. Anytime on or after November 16, 2009, log in to your bank's Web site. Download your transactions into Quicken.

**Important:** To avoid the possibility of creating duplicate records when downloading into Quicken, select a “from” date that does not include records previously downloaded from your bank.

2. Click the **Use an existing Quicken account** radio button. In the corresponding drop-down list, select the Quicken account that you used for your bank.

Select Account to Enable

You are downloading transactions for the following account:

Financial Institution: 1st National Bank & Trust  
Account Type: Checking  
Account Number: 11094542

Quicken does not have an associated account to handle these transactions. Select an existing account or enter a new account name, and click OK.

**2**  Use an existing account: Checking at Old Town Bank

Create a new account: Checking at 1st National Bank

Cancel OK

Select your existing account here.

Repeat steps **1** and **2** for each account that you will use for online banking or investing with your bank.

## THANK YOU FOR MAKING THESE IMPORTANT CHANGES!

If you have any questions regarding these instructions, then click <http://www.quicken.com/conversionfaqs> to access **Quicken FAQs for Financial Institution Conversion Customers**.

Additionally, you may also contact your bank or refer to: <http://www.intuit.com/support/quicken>.

Please note that if you are using the Express Web Connect feature with software versions other than 2009, you will no longer have the ability to perform the One Step Update. However, you will still be able to pull information into your software by the manual download process and then importing it into your software.
